

2022 AUSTRALIAN  
STALLION  
SERVICE BREEDING  
CONTRACT

I hereby agree to breed my mare: \_\_\_\_\_/

Reg.#: \_\_\_\_\_ to the Stallion: Shiney Outlaw frozen semen during the 2022 breeding season. I agree to pay \$2,500 USD includes frozen fee, made payable to Michelle Cannon for the Stud Fee. Fees are to be paid in full prior to semen shipment.

The following conditions of service are mutually agreed between Mare Owner/Agent, named above and Michelle Cannon upon execution of this contract:

1. Stud Fee does entitle mare owner to a Live Foal Guarantee. I am entitled to a "live foal" conceived from this breeding that will stand and nurse after foaling without assistance and lives for (24) hours. If my mare is found not in foal, or delivers a stillborn, I am allowed a Rebreed Contract if notified within (30) days of discovering the mare is open or foal is stillborn. With the notification there must be a statement from a licensed veterinarian. A Rebreed contract will apply to the following breeding season only, and Stud Fee will be non refundable. Live Foal Guarantee will be null and void if Mare Owner does not give ample opportunity to settle mare. Stallion Owner will also be released from Live Foal Guarantee if mare is sold without notifying the Stallion Owner and providing new owner contact information. With Rebreed agreement I am required to pay another Chute Fee prior to servicing mare and all other veterinary related fees and board will still be Mare Owner's responsibility.
2. Mare Owner agrees to notify Michelle Cannon of the pregnancy status of the mare by February 15th of the breeding year. Mares with an unknown pregnancy status will not be included on the stallion breeding report. Pregnancy status updates received after February 15th are subject to a \$50 stallion breeding report late-filing fee.
3. The breeding fee allows up to two (2) doses of frozen semen to be allocated to a mare in one breeding season. If the mare fails to conceive with the two doses, additional shipments may be authorized. Rebreed fees will apply for each additional shipment. If the mare absorbs/aborts a pregnancy, Michelle Cannon, agrees to offer rebreed privileges applicable only to the next normal breeding season and will be subject to a rebreed fee of USD \$400.
4. It is further agreed that if the mare dies before producing a live foal or becomes unfit to breed before being pronounced safe in foal, a substitute mare will be allowed for the current breeding season or the following season only. No Stud Fee will be refunded.
5. No mare will be bred, and no semen will be shipped without a completed Stallion Service Contract that is signed by Mare Owner and Stallion Owner or Agent of Stallion Owner. At this time the contract will be a binding contract on both parties, subject to the above terms and conditions.
6. If an embryo transfer, from a single flush, results in multiple pregnancies, the mare owner will be required to sign an additional contract and another Stallion fee will be due for each resulting foal prior to issuing breeders certificates.
7. All semen remains the property of the stallion owner. Unused semen must be returned or destroyed if requested.
8. All Australian shipping expenses are the responsibility of the mare owner.
9. The parties acknowledge that this agreement is made and shall be considered to be entirely performed within the State of Texas. Under Texas Law, an equine activity sponsor or professional shall not be liable for any injury to, or the death of a participant in equine activities resulting from the inherent risk of equine activities.

10. This Agreement will be governed by the laws of the State of Victoria, and the parties expressly submit to the jurisdiction of the courts of this State.
